Introduction

We are thrilled to present the SMC Innovex 2080 Report, documenting the dynamic and immersive three-day business expo and science and technology exhibition, organized by Sukuna Multiple Campus and managed by BBA students. Held from Falgun 21 to Falgun 23, 2080, this event marked a significant milestone in our academic calendar, serving as a vibrant showcase of innovation, entrepreneurship, and collaborative spirit within our academic community.

In the spirit of academia, SMC Innovex 2080 transcended conventional boundaries, providing a platform for students to transform their ideas into tangible projects. With a focus on creativity, education, and real-world application, the event reflected our commitment to nurturing the entrepreneurial spirit among students. Through interactive exhibits, engaging discussions, and hands-on activities, participants had the opportunity to explore innovative solutions, exchange ideas, and forge meaningful connections.

SMC Innovex 2080 also showcased the creativity and talent of our students, particularly in the fields of science and information technology. The event featured captivating exhibits and demonstrations, allowing attendees to witness firsthand the remarkable skills and ingenuity of our students, highlighting the diverse range of projects and initiatives undertaken within our academic community.

SMC Innovex 2080 also served as a platform for local businesses to participate and engage at an exciting level, fostering collaboration between students and entrepreneurs. This collaboration aimed to create synergies that drive innovation, economic growth, and community development.

In addition to the captivating exhibits and demonstrations, SMC Innovex 2080 also featured a seminar and panel discussion session focused on fostering entrepreneurship development. Esteemed speakers, particularly successful entrepreneurs, shared valuable insights and strategies for fostering entrepreneurship. They empowered attendees with practical knowledge and inspiration to pursue their entrepreneurial aspirations.

Furthermore, SMC Innovex 2080 included a social media challenge among students, designed to develop skills related to advertising and marketing in the digital age. Through this challenge, participants used platforms such as Instagram, Twitter, and Facebook to promote the event, engage with their peers, and showcase their creativity. This initiative not only enhanced the visibility of SMC Innovex but also provided participants with valuable digital marketing skills and experience, preparing them for future endeavors in the competitive business world.

Objectives of the Event

- i. To showcase innovation and entrepreneurship within the academic community
- ii. To facilitate collaboration and networking among students, local businesses, industry experts, and entrepreneurs.

- iii. To promote skills development and skills enhancement among the students.
- iv. To highlight the talent and ingenuity of students, particularly in the field of science and information technology.

Rationale of the Event

- i. **Promoting Innovation and Entrepreneurship:** SMC Innovex 2080 aimed to foster a culture of innovation and entrepreneurship within our academic community. By providing a platform for students to showcase their projects and ideas, the event encouraged creativity and real-world application of knowledge.
- ii. **Nurturing the Entrepreneurial Spirit:** The event reflected our commitment to nurturing the entrepreneurial spirit among students. Through interactive exhibits, discussions, seminars, and activities, participants had the opportunity to explore entrepreneurial opportunities, exchange ideas, and develop valuable skills for success in the business world.
- iii. **Highlighting Student Talent:** SMC Innovex 2080 showcased the creativity and talent of our students, particularly in science and information technology. Through exhibitions and demonstrations, attendees witnessed the remarkable skills and ingenuity of our students, highlighting the diverse range of projects and initiatives undertaken within our academic community.
- iv. **Facilitating Collaboration with Local Businesses:** The event served as a platform for local businesses to engage with students and participate in fostering collaboration. By connecting students with entrepreneurs and business persons, SMC Innovex 2080 aimed to create synergies that help to build partnerships and networking.
- v. **Empowering with Practical Knowledge:** SMC Innovex 2080 featured a seminar and panel discussion session focused on fostering entrepreneurship development. Esteemed speakers, particularly successful entrepreneurs, shared valuable insights and strategies, empowering attendees with practical knowledge and inspiration to pursue their entrepreneurial aspirations.
- vi. **Developing Digital Marketing Skills:** Additionally, SMC Innovex 2080 included a social media challenge among students, designed to develop skills related to advertising and marketing in the digital age. This initiative not only enhanced the visibility of the event but also provided participants with valuable digital marketing skills and experience, preparing them for future endeavors in the competitive business world.

Description of Activities

SMC Innovex 2080 offered a diverse range of activities during the event. From engaging panel discussions to conducting seminars, SMC Innovex 2080 provided a platform for students and local businesses to showcase their talents, exchange ideas, and foster collaboration. The various components of this dynamic three-day events are reported as under.

- 1. Social media challenge
- 2. Panel discussion
- 3. Experience sharing session

4. Motivational Seminar
5. Business exhibition and showcase
6. Science exhibition
7. Tech exhibition
8. Music and Entertainment

Social Media Challenge:

SMC Innovex 2080 featured Social Media Competition among students, designed to develop skills related to advertising and marketing in the digital age. Students from various faculties (Management, Science, ICT, Humanities) participated in the competition. Participants leveraged platforms such as Instagram, and Facebook to promote the event, engage with their peers, and showcase their creativity. This competition not only enhanced the visibility of SMC Innovex but also provided participants with valuable digital marketing skills and experience.

Throughout the duration of the event, participants posted engaging content related to SMC Innovex 2080, such as highlighting the business expo, science and tech exhibition, product and service showcasing booths, and musicals shows. Their posts generated buzz and excitement surrounding the event, reaching a wider audience and increasing its visibility on social media platforms. Total of 14 teams participated in the competition either individually or in a team.

After careful evaluation by the judging panel, the winners of the social media competition were announced. The first-place winner, Premika & Group, from BBA Third Semester, impressed with their innovative approach, captivating content, and strategic use of social media strategies. The second-place winner, Rohan Khatri, From BBS 3rd Year, also demonstrated exceptional creativity and engagement, while the third-place winner, Ghanashyam Khawas, from BBS 2nd Year, stood out for their unique perspective and contribution to promoting SMC Innovex 2080 online. All the winners received the gift hamper, medal & certificate in closing ceremony.

Panel Discussion:

The panel discussion held during SMC Innovex 2080 was another highlight of the event, featuring successful young entrepreneurs Mr. Utsav Thapa and Mr. Roman Kattel. With their wealth of experience and entrepreneurial achievements, they shared invaluable insights and strategies on the journey "from idea generation to market domination," framing it as an entrepreneurial expedition. The discussion aimed to cultivate an entrepreneurial mindset among students, encouraging them to think innovatively and pursue their business aspirations.

The event took place in the campus's seminar hall on Falgun 22, 2080, providing a conducive environment for an engaging and insightful discussion. Approximately 150 participants, including students, faculty members, and other stakeholders, gathered to listen to the panelists' perspectives and learn from their entrepreneurial journey.

Moderating the discussion was BBA student Miss Rojina Raut, who skilfully guided the conversation and facilitated audience interaction. The panelists elaborated on various aspects of entrepreneurship, ranging from idea generation and market research to product development, marketing strategies, and scaling up ventures.

Throughout the discussion, Mr. Thapa and Mr. Kattel shared personal anecdotes, challenges they faced, and lessons they learned along their entrepreneurial journey, inspiring attendees with their stories of perseverance and success. They emphasized the importance of embracing failure, learning from setbacks, and staying resilient in the face of challenges.

The panel discussion concluded with a lively Q&A session, allowing participants to engage directly with the panelists. Overall, the event provided attendees with valuable insights, inspiration, and motivation to foster an entrepreneurial mindset and embark on their entrepreneurial journey with confidence and determination.

Experience Sharing Session and Motivational Seminar

The Experience Sharing Session and Motivational Seminar on Entrepreneurship held during SMC Innovex 2080 were significant components of the event, aiming to sensitize students to the importance of entrepreneurship in today's world.

The session took place at the campus seminar hall on Falgun 21, 2080, spanning approximately three hours. It comprised two segments: an Experience Sharing Session and a Motivational Seminar.

The Experience Sharing Session featured Mr. Bholeshwor Dulal, a highly prominent entrepreneur with a portfolio of successful ventures. Mr. Dulal shared insights, challenges, and lessons learned from his entrepreneurial journey, providing valuable guidance and inspiration to attendees. His wealth of experience and practical wisdom connected the audience strongly, offering invaluable perspectives on navigating the complexities of the business world.

Following the experience-sharing session, the Motivational Seminar on Entrepreneurship was conducted by Mr. Basanta Adhikari, a renowned social entrepreneur. Mr. Adhikari's motivational talk aimed to inspire and empower students to embrace entrepreneurship as a means of driving positive change and creating impact in society. He emphasized the importance of passion, resilience, and vision in pursuing entrepreneurial endeavors, encouraging attendees to leverage their skills and talents to make a difference in the world.

Both sessions concluded with a lively Q&A session, allowing participants to engage directly with the speakers. The interactive nature of the sessions facilitated meaningful dialogue and knowledge exchange, enriching the learning experience for attendees.

Overall, the Experience Sharing Session and Motivational Seminar played a crucial role in sensitizing students to the significance of entrepreneurship in today's rapidly evolving landscape. With approximately 300 participants, including students, faculty members, and stakeholders, benefiting from these seminars, SMC Innovex 2080 successfully highlighted the role of entrepreneurship as a catalyst for innovation, growth, and societal development.

Business Exhibition and showcase

The Business Exhibition and Showcase activity served as the main attraction of SMC Innovex 2080, spanning three exciting days, from 21-23 Falgun, featuring a diverse array of stalls and booths totalling 50 in number. Local businesses, corporate houses such as Asian Thai Food, Honda Showroom, Yamaha Showroom, PLO Lubricants, Burger House, and internet service providers, along with handicraft vendors, showcased their products and services throughout the three-day event.

In addition to the corporate participants, students played an active role by setting up food stalls where they sold dishes they had prepared themselves. Several gaming zones, managed by students, offered entertainment to visitors, adding to the vibrant atmosphere of the exhibition. Furthermore, various schools and colleges set up stalls to showcase their educational services and initiatives. Furthermore, students art gallery, agricultural stalls, photography and media showcased were also the major attraction of the event.

A notable feature of the Business Exhibition was the presence of a bookstore, which offered a selection of books for sale. This diverse range of offerings transformed the event into a bustling business mela, attracting approximately 30,000 visitors according to our records. Among the attendees were local residents, students, visitors, as well as schools and colleges from Itahari, Sundarharaincha, and Belbari municipality.

The exhibition provided a platform for businesses to promote their products, students to demonstrate their entrepreneurial skills, and educational institutions to showcase their offerings. It fostered connections between businesses and the community, stimulating economic growth and facilitating knowledge exchange. The overwhelming turnout of visitors underscored the success of the Business Exhibition and its significant impact on the local community and beyond. a detailed list of all 50 stalls featured in the Business Exhibition and Showcase activity can be found in the appendix for reference. This appendix offers the diversity of businesses represented at the event.

Science Exhibition:

The Science Exhibition at SMC Innovex 2080 emerged as a major highlight of the event, spanning three exciting days, from 21-23 Falgun, drawing significant attention from visitors, particularly students from various schools in Itahari, Sundarharaincha, and Belbari municipality. Students from the science faculties of Sukuna Multiple Campus prepared and presented a diverse range of science-related projects, showcasing their innovative ideas and discoveries to the audience. Additionally, representatives from local schools also participated in the exhibition, contributing to the dynamic showcase of scientific endeavors. This interactive platform facilitated knowledge exchange and sparked curiosity among attendees, making the science exhibition a memorable and educational experience for all. The following were the major projects showcased by students in the Science exhibition.

- Automatic Fire Extinguisher
- Working Model of Wind Turbine
- Working of Chandrayaan
- Save Earth Working Model
- Rain Harvesting and Acid Rain
- Particle Accelerator

[Handwritten signature]

- Steam Engine Model
- Lifi Project
- Bluetooth Control Race Car
- Tesla Coil Model
- Human Evolution Model
- 3D Hologram

Tech Exhibition

The Tech Exhibition at SMC Innovex 2080, organized by ICT students from Sukuna Multiple Campus, spanning three exciting days, from 21-23 Falgun, showcased a variety of projects highlighting the campus's technological innovation. Students from different levels of the ICT department presented their creations, offering insights into the campus's tech capabilities. This interactive exhibition allowed visitors to engage directly with the projects, fostering curiosity and learning.

The exhibition served as a platform for knowledge sharing and collaboration, bringing together students, faculty, and guests to explore the potential of technology across various fields. The following were the major projects showcased by students in the tech exhibition.

- 3D Movie
- VR Experience
- Robo Race
- Circuit Game
- IT Quiz
- AI object detection

By sharing their projects, students not only demonstrated their technical skills but also inspired others to explore the possibilities of innovation in technology. Overall, the Tech Exhibition was an informative and engaging experience, emphasizing the importance of fostering creativity and curiosity within the academic community to drive technological progress.

Music and Entertainment

The Music and Entertainment activity of SMC Innovex 2080, managed by our BBA students, was a highlight of the event, spanning three exciting days, from 21-23 Falgun. Local bands like Buddhatwa, SiyoDhago, and Sashi Mandal filled the venue with melodious rock tunes, creating a vibrant atmosphere for everyone to enjoy.

In addition to the captivating performances by these esteemed bands, the event provided a platform for the blossoming talents within Sukuna Multiple Campus to shine. Students from various disciplines enthusiastically showcased their skills, be it through soulful singing, energetic dance performances, heartfelt poetry recitations, or witty caricature demonstrations. It felt like a talent hunt where many students eagerly showed their skills and talent.

The Music and Entertainment segment not only added a layer of liveliness and excitement to the overall ambiance of the event but also served as a catalyst for fostering community spirit among the attendees. It provided an opportunity for individuals to come together, celebrate

creativity, and revel in the joy of artistic expression. Moreover, the details of all participants who graced the stage with their talents are documented in the appendix for reference.

Participants Profile

1. **Students of Sukuna Multiple Campus:** The backbone of the event, students from Sukuna Multiple Campus actively participated in various aspects of SMC Innovex 2080, including organizing, presenting projects, and engaging in discussions and competitions.
2. **Faculty Members:** Faculty members from Sukuna Multiple Campus played vital roles in guiding and supporting students throughout the event. Their expertise and mentorship contributed to the overall quality and execution of SMC Innovex 2080.
3. **Students from other schools and colleges:** The event witnessed a significant influx of students from various schools and colleges in Itahari, Sundarharaincha and Belbari Municipality, particularly those in grades 9 through 12, who came to observe and learn from SMC Innovex 2080. The list of schools and colleges that facilitated student visits for observation is detailed in the attached appendix.
4. **Panelists, Successful Entrepreneurs and Industry Experts:** This segment featured distinguished individuals, including panelists Mr. Utsav Thapa and Mr. Roman Kattel, who exemplify success as young entrepreneurs. Additionally, industry expert Mr. Bholeswor Dulal led an insightful experience-sharing session, offering valuable perspectives on entrepreneurship. Furthermore, motivational speaker Mr. Basanta Adhikari ignited the entrepreneurial mindset among young students.
5. **Exhibitors:** Local businesses, corporate houses, and student-led initiatives showcased their products, services, and projects at the event.
6. **Members of the local community:** A large number of people from the local community actively participated and observed the event, contributing to its success. Their participation and support demonstrated the event's relevance and impact beyond the campus boundaries.
7. **Distinguished guest at the inauguration and closing ceremony:** The inauguration ceremony of SMC Innovex 2080 was graced by esteemed dignitaries, including Mr. Rajendra Karki, the Social Development Minister of Koshi Province, who officiated the event. Additionally, the presence of mayor from Sundarharaincha Municipality and various provincial and local government representatives added prestige to the occasion. Notably, representatives from FNCCI and other stakeholders lent their support, highlighting the event's significance in fostering collaboration between academia and industry. Furthermore, the entire campus management committee was in attendance, underscoring their commitment to the success of SMC Innovex 2080.

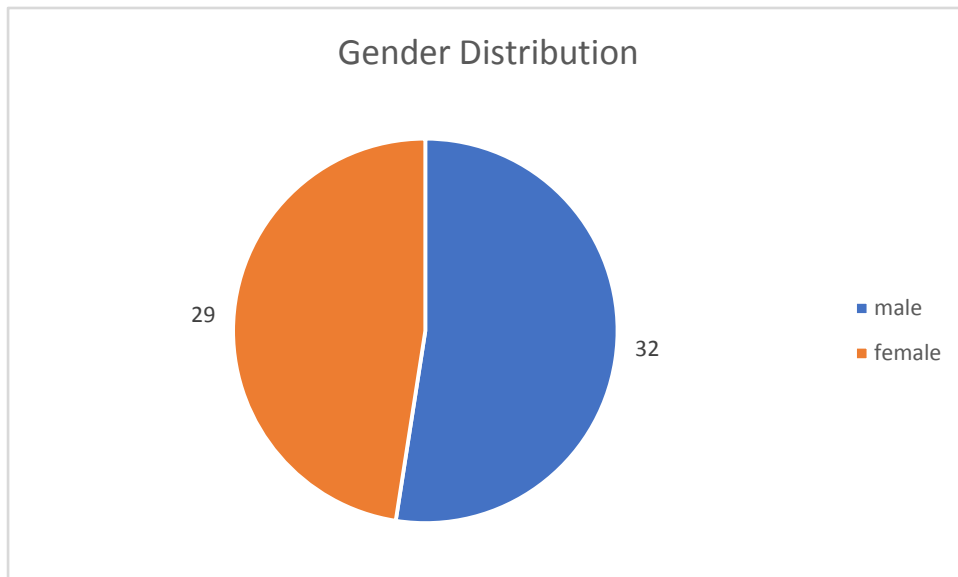

Feedback Analysis

To ensure a thorough understanding of participant perspectives on SMC innovex 2080, a structured feedback collection methodology was employed. Initially, a sample of 100 participants was randomly selected to provide their insights. Closed-ended questionnaires were distributed among the chosen individuals. Following the collection process, responses

from 61 participants were obtained. The received information was presented and organized in a tabular form to facilitate systematic analysis. The presentation of this feedback analysis serves as a crucial component in evaluating the success of SMC Innovex and identifying areas for improvement in the future.

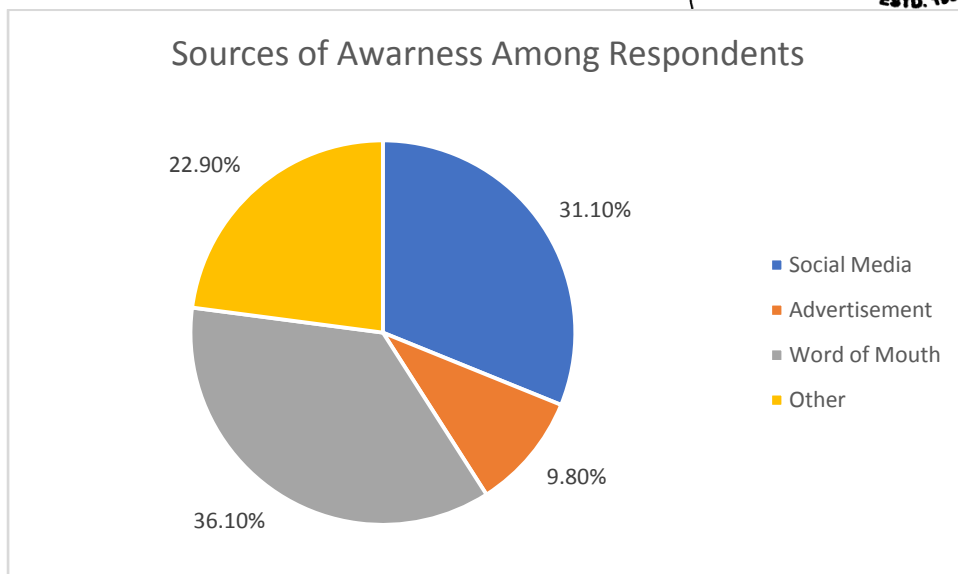

Figure 1

Participant Demographics: Gender Distribution

The data collected from respondents indicates a relatively balanced gender distribution among participants. Out of the 61 respondents, 32 identified as male, representing approximately 52.5% of the total sample, while 29 identified as female, constituting around 47.5% of the total sample.

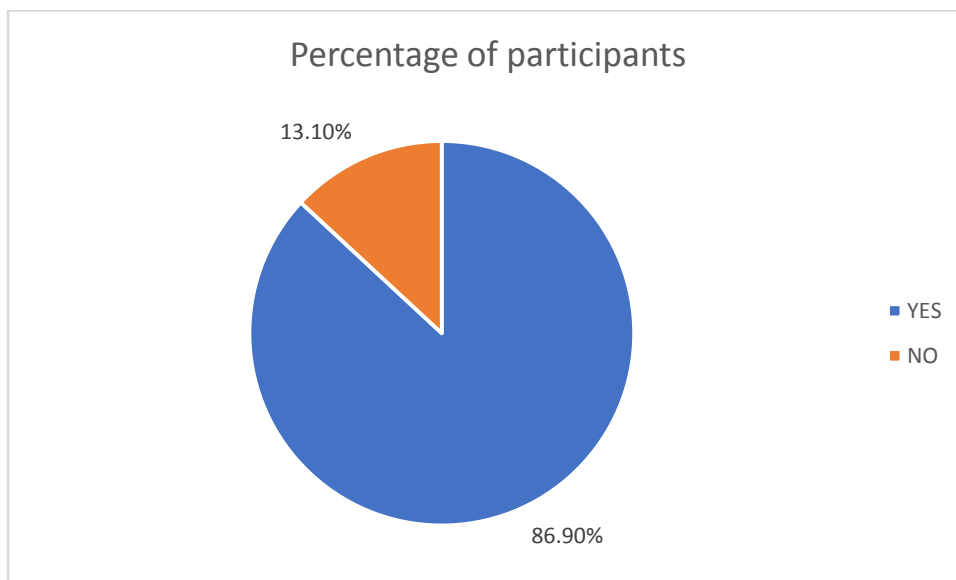

Figure 2
Awareness Sources

In analyzing the sources of awareness for SMC Innovex 2080, it was found that 36.1% of participants primarily discovered the event through word of mouth, emphasizing the influential role of personal recommendations. Social media emerged as another prominent source, with 31.1% of respondents citing it as their main source of information.

Figure 3

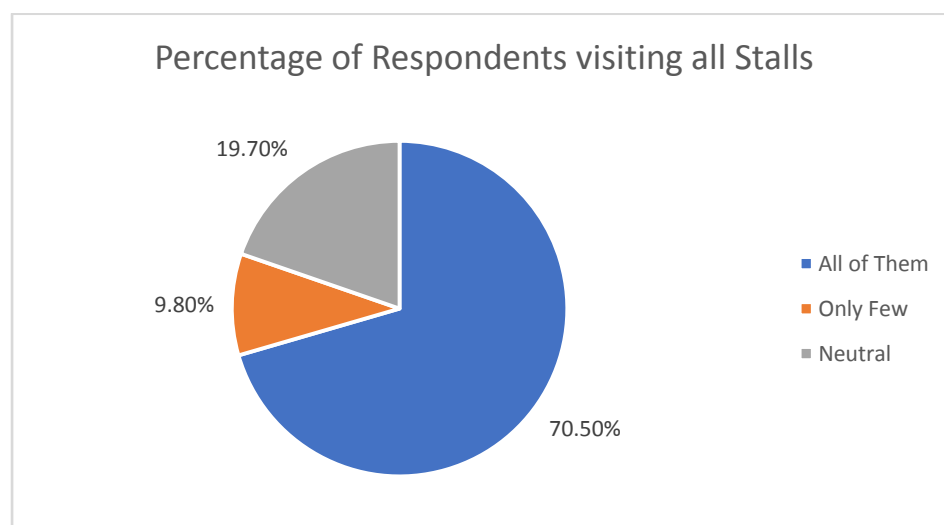

Participant Interaction with Stallholders and Representatives

The survey question aimed to measure participants' perception of their interaction with stallholders and representatives as engaging and helpful. The overwhelming majority of respondents, accounting for 86.9%, indicated a positive experience by responding "YES." This suggests that the interactions were effective, providing valuable information and assistance to attendees. Conversely, a minority of respondents, comprising 13.1%, responded "NO."

Figure 4

Participants Visiting all the Program at SMC Innovex2080

The survey question aimed to understand participants' engagement with the various programs offered at SMC Innovex. A majority of respondents, totaling 70.5%, indicated that they visited all the programs, reflecting a high level of involvement and interest in exploring the diverse offerings of the event.

Survey Results Analysis

The survey used a 5-point Likert scale to gather feedback from participants regarding the satisfaction level of various aspects of the SMC Innovex 2080 event. Participants were asked three key questions to assess their satisfaction levels. The survey results indicate positive sentiments towards SMC Innovex 2080. Regarding overall organization of the event, approximately 72.1% of respondents expressed satisfaction, meaning a well-received event structure. Additionally, a notable 72.1% of participants appreciated the variety of businesses and industries showcased, indicating a diverse and engaging expo experience. Similarly, satisfaction with the overall organization and layout was high, with 73.8% of respondents reporting contentment. These findings suggest effective event planning and execution, creating a favorable atmosphere for attendees to explore and engage with various exhibits.

Two additional questions were included in the survey, using a 5-point Likert scale with options ranging from Excellent to Poor. The first question aimed to assess participants' perceptions of visitor engagement at their stalls, while the second question focused on evaluating the overall academic environment of Sukuna Multiple Campus. The survey responses indicate that a substantial majority of participants, comprising 75.4%, rated the visitor engagement at their stalls as Excellent or Good, highlighting effective interaction and interest among visitors. Regarding the overall academic environment of Sukuna Multiple Campus, an overwhelming 80.3% of respondents rated it as Excellent or Good, reflecting a positive perception of the institution's educational atmosphere.

Participants were asked to indicate their likelihood of participating in similar nature of future events organized by the campus using a 5-point Likert scale, ranging from "Very Likely" to "Very Unlikely." The survey results reveal that a majority of respondents, constituting 84.4%, expressed positive intentions towards future participation, with 41% indicating they were "Very Likely" and 44.3% stating they were "Likely." This high level of willingness to engage in future events demonstrates a strong sense of satisfaction and interest among participants. Overall, these findings underscore the success of SMC Innovex 2080 and lay a positive foundation for future events.

Participant Feedback Analysis for Improving SMC Innovex

Participants were asked to provide feedback regarding SMC Innovex to identify areas for improvement and enhancement. The responses offer valuable insights into participants' perceptions and suggestions for enhancing SMC Innovex.

- i. Several respondents emphasized the importance of sanitation and the need for improved access to electricity.
- ii. Positive feedback was received regarding the overall management of the event, with participants expressing satisfaction with its organization.
- iii. There were collective concerns about the lack of fans and lack of chairs suggesting opportunities for enhancing attendee comfort.
- iv. Suggestions were made for implementing eco-friendly waste management practices to promote environmental sustainability.

- v. Participants noted the value of the knowledge gained from attending SMC Innovex, highlighting the educational content and experiences provided.
- vi. Some attendees suggested hosting more interactive panel discussions in open areas to avoid congestion issues within seminar halls.
- vii. Feedback also included observations about the need for broader outreach strategies to ensure the target audience is fully reached and engaged.

Overall, these insights provide valuable guidance for optimizing the future conduct of SMC Innovex.

Participant Suggestion for Future Events

Participants were asked to provide suggestions for potential programs they would like to see in the future of SMC Innovex or similar events. Their suggestions were enlisted as under.

- i. Several attendees expressed a desire for an increased variety of games in the gaming zone to enhance attendee engagement and entertainment.
- ii. Participants indicated interest in seeing more projects that focused on idea generation.
- iii. Suggestions were made for showcasing traditional technologies.
- iv. The idea of hosting a quiz competition was proposed, indicating an interest in interactive and intellectually stimulating activities.
- v. Some attendees suggested showcasing handmade innovations.
- vi. Interest was expressed in cultural-related stalls, indicating opportunities to showcase traditional crafts, performances, and heritage.
- vii. Some participants recommended inviting famous singers to perform.
- viii. Suggestions were made to involve big companies, potentially offering networking opportunities and access to industry expertise.
- ix. Participants also highlighted the importance of incorporating programs focused on career growth and development to cater to attendees' professional aspirations.

Budget and Expenditure Overview

This section provides the financial aspects of SMC Innovex 2080, illustrating how funds were distributed across various crucial elements of the event. The total expenditure for the event amounted to NPR 10,04,390, reflecting the meticulous planning and resource allocation required for its success.

Expenses encompassed essential components such as stall and booth setup, stage construction, payment to artists for music and entertainment, logistics, and marketing efforts. Additionally, provisions were made for catering, including food, snacks, tea, and water, ensuring the comfort of participants and attendees throughout the event. Furthermore, allocations were made for promotional materials such as banners, pamphlets, as well as tokens of appreciation, medals, and certificates of participation to recognize contributors and participants.

Another significant expense was the funding of science and ICT-related projects showcased by students. These projects required a substantial amount of funds to purchase components and materials necessary for their preparation. The investment in these projects not only provided students with valuable learning opportunities but also enriched the overall event experience by showcasing innovation and creativity within the academic community.

Other significant expenses included remuneration for entrepreneurs and industry experts who shared their insights and expertise during the event, as well as stationary costs and the provision of necessary equipment like music systems. Miscellaneous expenses were also accounted for, ensuring that all aspects of the event were adequately supported.

Outcomes and Impact

- i. SMC Innovex 2080 successfully fostered student engagement by providing a platform for them to showcase their talents, innovative projects, and entrepreneurial endeavors.
- ii. Students participating in the social media competition at SMC Innovex 2080 learned to create and promote ad videos, enhancing their digital marketing skills and gaining practical experience in social media advertising.
- iii. The event facilitated discussions, seminars, and panel sessions focused on entrepreneurship, inspiring participants to promote an entrepreneurial mindset and explore innovative solutions to real-world challenges.
- iv. The event provided a platform for students to collaborate with local businesses, industry experts, and entrepreneurs, fostering valuable networking opportunities that can lead to future collaborations and career advancements.
- v. Numerous students actively participated by setting up food stalls, preparing and selling food items, as well as showcasing and selling commercial products, thereby gaining practical business knowledge and hands-on experience during SMC Innovex 2080.
- vi. The event highlighted the talent and ingenuity of students, particularly in the fields of science and information technology, showcasing their innovative projects and technological solutions to a wider audience.
- vii. SMC Innovex 2080 attracted a diverse audience, including students, faculty members, local residents, and stakeholders, enhancing community engagement and raising awareness about the importance of innovation, entrepreneurship, and academic collaboration.
- viii. The management of event by BBA students provided them with invaluable opportunities to develop event management, communication, and stress-handling skills, enriching their overall learning experience.

Conclusion

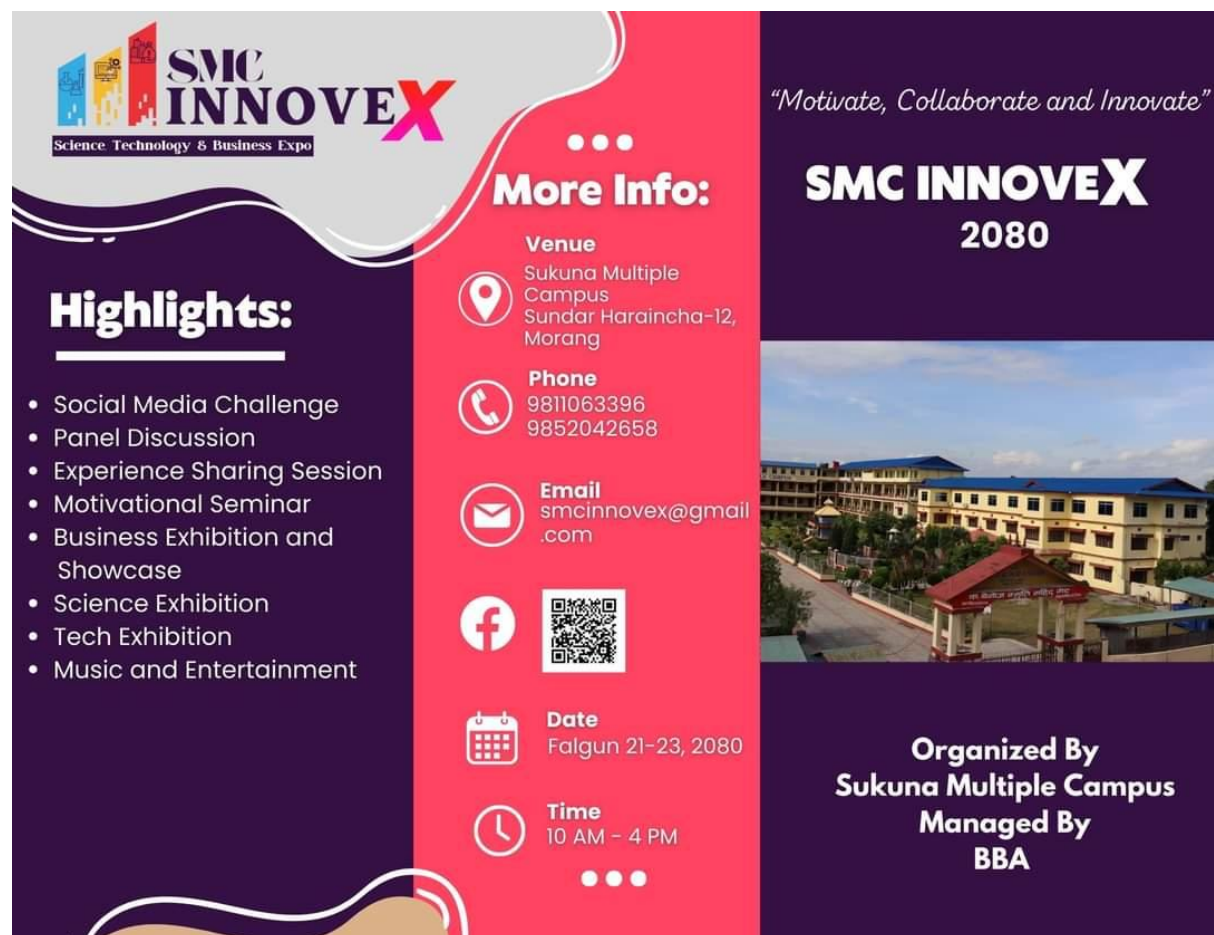

In conclusion, SMC Innovex 2080 had a profound impact on our academic community and beyond, fostering student engagement, promoting entrepreneurship, and showcasing student talent and innovation. The event provided a valuable platform for students to showcase their talents and entrepreneurial endeavors through booths and stalls, attracting a diverse audience including students, faculty members, local residents, and stakeholders. Additionally, the music and entertainment segment added vibrancy to the event, engaging attendees and enhancing the overall atmosphere. The event facilitated discussions and seminars focused on

entrepreneurship and innovation, inspiring participants to embrace an entrepreneurial mindset and explore innovative solutions. Moreover, SMC Innovex 2080 enabled students to collaborate with local businesses and industry experts, fostering networking opportunities and practical business knowledge. The management of the event by BBA students provided them with invaluable skills in event management, communication, and stress-handling, enriching their overall learning experience. Overall, SMC Innovex 2080 successfully achieved its objectives, making a lasting impact on our academic community and promoting a culture of innovation, entrepreneurship, and collaboration.
